ACKNOWLEDGEMENT

The first, we would like to express my special thanks of gratitude to my teacher SIR Owais who helped a lot in finalizing this project within the limited time frame, valuable counseling and assistance for the accomplishment of this project.

Secondly, we would also like to thanks the e-project team at Aptech Head Office, who gave as the opportunity to do this interesting and wonderful project about Kitchen Utensils

Thirdly, we also thank the e-project team for giving this task to us. Following are the benefits of this Project:

- Re-enforcement of skills happens in the experimental learning process.*
 - A mentor, ensuring that we do not get drifted, constantly guide us.*
 - It gives us a lot of confidence to face an interview as we have worked on a project. We can explain virtually everything on the subject we have learnt.*
